Brandon Gambrall
Chemistry Section
Colorado Department of Public Health and Environment
Laboratory Services Division
303-692-3048 | CDPHE_Chemistry@state.co.us
8100 Lowry Blvd., Denver, CO 80230

E. coli, \$22/sample, 8 hour hold time, 125 ml

Nitrate/Nitrite, \$31.50/sample, 48 hour hold time, 250 ml

Total Nitrogen, Kjeldahl, \$42/sample, 125 ml

Give Brandon a phone call when plan to drop off. Drop off at 8100 Lowry Blvd, facing Lowry Sport Park, in the specimen drop off area (not the main entrance, separate door facing East).

Time-sensitive collections must be dropped off before 3 p.m. on Thursday or risk being invalid. Starting August 1, 2017 samples must be paid for at time of drop-off – credit card or check accepted no cash.
